- Produce a quality news-product under tight deadlines.
- Manage time wisely.
- Assist news management team with planning and placement of crews and resources.
- Shoot active live shots.
- Train for multi-tasking functions, including but not limited to live truck operation and helicopter photography.
- Thrive in a team-based environment.
- Requires flexibility to work as needed within station hours of operations, 24 hours a day, 7 days a week, including holidays.
- Must maintain professional appearance and behavior.

Knowledge, Skills and Abilities Required:

- College Degree or a minimum 3 years experience as a television news photographer.
- Experienced in non-linear editing.
- Carry as much as 50 pounds including news camera, camera support equipment, and camera tripod (sometimes for extended distances and periods of time).
- Be able to stand for long periods of time, often with the news camera on the shoulder.
- Be able to walk and run over all types of terrain while carrying the camera on the shoulder.
- Drive news car with passenger (short and long distances).
- Drive and operate live trucks and work in close proximity to microwave transmitters.
- Communicate over two-way radio and/or cellular telephone.
- Potentially go for extended periods of time with little or no rest.
- Be able to cover news stories (local or out of town) with little or no advance notice at any time of the day or night.
- Withstand extreme weather elements (hot & cold temperatures; rain, snow, etc.)
- Possess a valid driver's license and a good driving record.

Knowledge, Skills and Abilities Preferred:

- Understand and practice NPPA philosophies.
